

ARUN VASUDEV C

Mechanical Engineering Student | Aspiring Aerospace Design Engineer

■ 8637617853 | ■ [linkedin.com/in/arunvasudev](https://www.linkedin.com/in/arunvasudev)

CAREER OBJECTIVE

Second-year Mechanical Engineering student passionate about Aerospace Design Engineering. Seeking an internship to apply CAD skills, engineering fundamentals, and innovative thinking to real-world aerospace projects.

TECHNICAL SKILLS

- CAD (Computer-Aided Design)
- Engineering Drawing
- Diesel Engine Fundamentals

EDUCATION

Bachelor of Engineering — Mechanical Engineering

Government College of Engineering, Erode (Anna University)

Expected Graduation: 2029

Higher Secondary • Scored **S Grade** in Engineering Drawing

SOFT SKILLS

- Communication & Public Speaking
- Innovation & Creativity
- Team Collaboration
- Adaptability

CERTIFICATIONS

- Diesel Engine Fundamentals — Alison (Online Course)

AREAS OF INTEREST

- Aerospace Design Engineering
- Mechanical Systems Design
- Engineering Innovation

EXTRA-CURRICULAR STRENGTHS

- Strong passion for aerospace applications of mechanical engineering
- Excellent public speaking and group presentation skills
